IC1: Before beginning, it is important to verify that we are interviewing the correct person. Are you [first name] [last name]?  
1=Yes  
0=No

Administered to: All respondents

---

IC2: Which of the following best describes [first name] [last name]?  
1=[first name] [last name] is a misspelling of my name (please specify correct name: \_\_\_\_\_ )  
2=[first name] [last name] is a name I used in the past, but my name had changed (please specify correct name: \_\_\_\_\_ )  
3=[Neither of the above]

Administered to: Respondents whose name is not the one provided in the question (i.e., respondents who selected option 0 in IC1)

---

IC3: Thank you for your responses. We apologize for any inconvenience and will not contact you again regarding the Early Career Doctorates Survey.

Administered to: Respondents who are not the intended sample member (i.e., respondents who selected option 3 in IC2).

---

IC4: Were you affiliated with [ECDS sampling frame organization] the week of October 1, 2017?  
1=Yes  
0=No

NOTE: Sample members who select ‘no’ will be deemed ineligible and routed to IC5

Administered to: Respondents who identified as the sample member (i.e., Respondents who selected 1 in IC1 or selected 1 or 2 in IC2)

---

IC5: Thank you. Based on your answers you are not eligible for ECDS, but before you log out please take one minute to answer a short set of questions about your educational and demographic characteristics. This information will be used to help improve our data collection procedures for the future and improve estimates of the study’s population of interest.

This information is solicited under the authority of the National Science Foundation Act of 1950, as amended, and the Confidential Information Protection and Statistical Efficiency Act of 2002. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the federal information systems that transmit your data. The information you provide will be used for statistical purposes only. Your responses will be kept confidential. Your response is voluntary and failure to provide some or all of the requested information will not in any way adversely affect you. If you have questions about your rights as a survey participant, you may contact RTI International's Office of Research Protection at 1-866-214-2043.

Pursuant to 5CFR 1320.5(b), an agency may not conduct or sponsor, and a person is not required to respond to any information collection unless it displays a valid OMB control number. The OMB control number for this collection is 3145-0235 (Exp. 9/30/2019).

## INFORMATION ONLY – DO NOT USE TO REPORT

R2: We are investigating ways to make this survey shorter for early career doctorates in the future. One way we hope to do this is to access information from an online author identifier (e.g., ORCID, Researcher ID, Scopus ID) but first we need to learn how many early career doctorates have an account with complete information. Do you have an online author identifier?

1=Yes

2=No, but I know what an online author identifier is

3=No, and I don't know what an online author identifier is
